Empatia 36 Suspension 29W 3000K

DESIGN BY:

Carlotta de Bevilacqua , Paola di Arianello
2013

MATERIALS:

DESCRIPTION:

Empatia is inspired by the association between the great glass-blowing tradition and the LED technology of Artemide. High interest in the expression potentials of this material resulted into co-operation with master glass blowers to gain full control of the special suppleness of Venetian glass and to work on the balance between surface and light, between subtle densities and transparencies. Hence clear, pure craft objects, each of them unique in all respects. Transparency and opacity are wisely dosed to obtain a glass that reflects light without glaring and without losing efficiency. Hence optical device, whose heart is a high-performance LED-based light engine created separately from the glass emission body in favor of higher thermal efficiency and performance. Light is controlled with maximum yield and driven towards the glass diffuser through a transparent pipe with a very low absorption coefficient.

TECHNICAL DATA SHEET

FEATURES

Product name: Empatia 36 Suspension
29W 3000K
Article Code: 1823010A
Colour: White
Series: Design

DIMENSIONS

Height: cm 19.1
Diameter: cm 36
Base Length: cm 50
Max Height from ceiling: cm 210
Impact Resistance: N/D
Glow Wire Test: 650°C °

LAMPS INCLUDED

Category: LED
Watt: 21W
Luminous Flux (lm): 2349lm
Typology: 1
Color temperature (K): 3000K
Class: A

LUMINAIR

Watt: 24W

DIMENSIONS
