

Mito volo 140 var up datasheet

Linear LED suspended luminaire with double-sided light emission and length of 136 cm. There is a choice of two lighting effects. table (wide) for use over tables – wide light beam directed downwards and upwards. room (narrow) for freely suspended luminaire lighting – concentrated light beam directed downwards, diffused light directed upwards. The suspension length is continuously adjustable from 65 – 165 cm.

Version with integrated power supply unit for mounting on plaster surfaces; connection to 230 V AC mains voltage. Can be controlled via »touchless control« (gesture control on the head) and Occhio air or DALI; alternatively, dimmable via a trailing-edge phase cut dimmer*. The colour temperature can be continuously controlled via »touchless control« or Occhio air or DALI from 2700 to 4000 K or can be preset (2700/3000/3500/4000 K).

Other version: Mito alto flat (40/70/100), Mito alto up (40/70/100), Mito alto side (40/70/100), Mito volo fix flat (100/140), Mito volo var up (100), Mito volo fix up (100/140), Mito volo fix up midfeed (100/140)

incl. power supply unit

dimensions in mm

technical data Mito volo 140 var up

properties	material	head aluminium, painted, anodised or PVD-coated steel, optical plastic cover painted plastic
	height adjustment	650 – 1650 mm (variable)
	weight	4.5 kg
surface	head	bronze, matt gold, rose gold, matt silver, matt white, matt black
	cover	matt white, matt black
Occhio »color tune« LED	average life time	> 50.000 hrs
	energy efficiency class	A+
	power	60 W (incl. Occhio power supply unit approx. 68 W)
	color rendering index	high color; CRI Ra 95
	color temperature	2700–4000 K
	recommended use	residential, commercial, office
electricity	dimming	via trailing-edge phasecut dimmer*, »touchless control«, Occhio air or DALI
	connection	230 V AC / 50 Hz
	permitted operating conditions	max. 30°C for indoor use only

* For a list of compatible dimmers, see www.occhio.de/dim_en, trailing-edge phasecut dimmer, »touchless control«, Occhio air and DALI not combinable Anodised (matt gold) and PVD surfaces (rose gold, bronze) may differ slightly from other product lines.

Mito volo 140 var up lighting effects

table (wide)

wide light beam (up and down), beam angle approx. 80° (down)

inserts: wide / flood

luminous flux: high color 60 W 3900lm

UGR (4H8H) < 19 *

room (narrow)

concentrated light downwards, beam angle approx. 25°, diffuse upwards

inserts: narrow / diffuse

luminous flux: high color 60 W 3500lm

UGR (4H8H) < 19 *

* For a reliable assessment of glare values in a real application of a luminaire we recommend to carry out an individual calculation which can be prepared by our lighting team (project-support@occhio.de).

Mito volo 140 var up connection diagram

A maximum of 32 Mito volo units can be assigned to each DALI circuit.

The Mito volo requires two DALI addresses per luminaire, which enables control of the top and bottom sides via their own respective DALI address. The maximum output is reached if both DALI luminaires (top and bottom side) are set to maximum brightness (45 W = 22 W up and 22 W down; 60 W = 30 W up and 30 W down).

The Mito volo units can be organized into as many as 16 groups and equipped with an additional 16 scenarios (predefined settings).

Using a DALI short address, they can be actuated and configured individually. In addition, the bi-directional data transfer lets users query the state/status of individual luminaires.

You can find more detailed information at www.occhio.de/dali.

control options

control

Mito set box (standard)

sospeso / volo

soffitto / alto flat

alto up & side

sospeso / volo:

COLOR (Sensor off)
adjustable color temperature (4 steps)
trailing-edge phase cut dimming possible

STEP

adjustable color temperature (4 steps)
adjustable up / downlight ratio (5 steps)
trailing-edge phase cut dimming possible

SENSOR

»touchless control« (gesture control)
switching, dimming, up / down fading
color tune (color temperature continuously adjustable)
no external dimming possible

soffitto / alto flat / alto up & side:

COLOR
adjustable color temperature (4 steps)
trailing-edge phase cut dimming possible

Mito »air« box (optional)

sospeso / volo

alto up & side

Occhio air (Bluetooth control using Occhio air app) or air controller (optional)
control of individual luminaires, groups and scenes

sospeso / volo:

SENSOR
»air« + »touchless control« (Bluetooth- und gesture control)
control via »touchless control« and Occhio air app or air controller

SENSOR OFF

»air«
control via Occhio air App or air controller
switching, dimming, up / down fading
color tune (color temperature continuously adjustable)

terra / terra 3d /
soffitto / alto flat

terra / terra 3d:

»air«, »touchless control« and »body sensor«
(Bluetooth- und gesture control)
control via »touchless control«, »body sensor«
and Occhio air App or »air« controller

»ambient light control«
adjustment to ambient light

»presence sensor«
presence identification and automatically
shutdown by presence sensor

deactivation and adjustable via control
and sensor with air app

soffitto / alto flat / alto up & side:

»air« (Bluetooth - control)
control via Occhio air App or »air« controller
switching, dimming
color tune (color temperature continuously adjustable)

**Occhio air
powered by
Casambi**

with Mito air box no external dimming possible

Mito DALI box (optional)

sospeso / volo /
soffitto / alto flat

alto up & side

control via DALI

sospeso / volo / soffitto / alto flat

- color tune adjustable**
- adjust continuously dimming
- up + downlight separate controllable (two DALI addresses needed)
- no »touchless control«, no fading
- volo 100 (max. 22,5 W uplight / 22,5 W downlight)
- volo 140 (max. 30 W uplight / max. 30 W downlight)

alto up & side

- color tune adjustable**
- continuously dimming

** DALI controller DALI Device type 8 (DT8) for controlling of the color tune necessary
